

GARVIT JAIN

Career Summary

An energetic and imaginative young web developer who is able to work alongside other talented IT professionals in creating websites to the very highest standards. I have a high awareness of industry issues and trends, particularly in regard to accessibility, usability, emerging technologies, and open source CMS. I am an ambitious type who wants to get noticed, and has the drive and massive energy needed to really make a difference to a project. Right now I am looking for an entry level position with an exciting company that wants to attract talented people.
